Staff News

A note from Anne Wendt: -

As you are probably all aware a er much thought and careful consideration, I have decided to resign from the position as the South Burnett CTC, Disability Service Manager as of August 23. I would like to take this opportunity to thank each and every one of you for your support and encouragement. I have had the pleasure to work with some amazing people, families and friends. Staff at CTC CROSB are truly remarkable group of people that work hard, supporting people out and about in the community. I leave with mixed emotions however family must come first.

As you know, Tracie, Jane and the CROSB team will continue to deliver a high quality service for you and your family. If you require any information about CROSB please call (07) 4162 9081.

While I look forward to enjoying time with my family, I will miss working at CROSB.

I hope to see you all in and around the South Burnett.

Anne Wendt.

Other staff news includes Support Workers Ken, Shiralee and Shiree leaving CROSB as they have moved on to other positions both within and away from the South Burnett.

CROSB has also gained 4 new Support Workers; Sue, Diana, Anja and Ian.

CROSB wishes Anne, Ken, Shiralee and Shiree the best of luck in their future endeavours.

Disability Action Week 2013

People living with a disability and all other Community Members are invited to a

Free Breakfast

To celebrate Disability Action Week

Time: 7.00am to 9.30am

Date: Saturday 7th of September, 2013.

Place: Memorial Park, Haly Street, Kingaroy.

This year, Disability Action Week kicks off in September and we are celebrating in style with a FREE breakfast in the park!!! We'll have a game of cricket, eat some breakfast, start a drumming circle and make some noise!!!!

Disability Action Week brings together individuals, businesses, government and community organisations from across Queensland to celebrate and acknowledge the contributions, skills and achievements of people with a disability. Together, we aim to promote an understanding of people with a disability and encourage support for their dignity, rights and well-being. The day seeks to increase awareness of the benefits of the integration of people with a disability in every aspect of political, social, economic and cultural life.
