

CROSB Newsletter

CROSB News

Last month work was completed on the bathroom at CROSB House. The toilet in the main bathroom has been modified and new support rails have been installed.

Ten staff members have completed a Tutor in Adult Literacy and Numeracy Skills Course and have already put into practice what they have learnt with their clients.

May's Group Night was Karaoke at a CROSB client's home. Some of our more reserved clients danced and sang and everyone who attended had a great time.

Sally Dan has commenced as Assistant Coordinator with CROSB while Tracie is on leave until 30 June 2015.

Introduction from Sally Dan

Hi Everyone,

My name is Sally Dan and I have just started here at CROSB in the role of Assistant Service Coordinator.

I moved back to Kingaroy from Brisbane's Bayside last week, after a 25 year absence.

I have been working in Disability Services for over 11 years and before that I was a qualified chef.

I am married with a young son and in my spare time I enjoy watching movies, playing with my son (Thomas the Tank Engine is his favourite!), cooking, wine tasting, drinking cider, eating cheese and sleeping!

I am already enjoying my role here and hope to meet everyone in due course.

Pop in for a cuppa and a chat!

Our Person Of Interest:

Amanda

Likes: I like all things and people. I like animals and I like to go for walks.

Dislikes: I dislike my garden dying. I dislike not getting every thing done lol.

Hobbies: I am a outside person so I would say my garden is my hobby and I am often adding or making things for the garden.

What fun thing have you done recently?: In my job I do fun things every day but I did help a client do some cuttings from the garden to make some indoor plants.

An experience I found personally rewarding with CROSB: I believe that since I have started with CROSB I have grown as a person. I have come to respect managers, co workers and clients on a whole new level . I am learning every day not just through courses but through the job itself.

These days have been allocated for Professional Development for CROSB Support Workers:

Thurs 11 June—**CTC Bus Tour**
Thurs 18 June—**Staff Meeting/Internal Training – Case Notes, Positive Behaviours and Facebook**

Thurs 30 July—**Understanding Epilepsy with Epilepsy QLD**

Please note that we will try our best to minimise disruption to our clients.

MedAdvisor's 'virtual pharmacist' system helps you use medication safely, effectively and on-time. MedAdvisor connects to your prescription records at pharmacies around Australia, so it knows exactly what medication you're taking, when you're due to fill repeat scripts, when a script is finishing, and much more. It puts all the important tips and instructions for your medication at your fingertips.

*** NOTE: MedAdvisor accounts are FREE but must be activated by your pharmacist or doctor. Ask your local pharmacy to activate your account. See www.medadvisor.com.au for details. ***
