

The Gumnut Place

The Gumnut Place is more than just good business, it has been supporting people with a disability and their families in the communities of the South Burnett for nearly 30 years.

Known simply as "Gumnut", this busy Australian Disability Enterprise was established in 1986 by a committed group of families and friends of people with a disability in response to their needs. Since then, it has grown and been developed by the community, local council and from 2008, South Burnett CTC Inc.

The Gumnut Place, now part of South Burnett CTC, is a busy and varied local enterprise which provides real jobs for people with a disability.

Gumnut has five distinct business units which enjoy the support of local businesses and the community:

- Commercial Kitchen and Catering
- Woodwork Shop (made to order) and Pallet Making
- Engraving, Trophies and Badge Making
- Secure Document Destruction (Shredding Services)
- Commercial Laundry
